

[Virginia Beach KOA Holiday](#)

1240 General Booth Blvd, Virginia Beach, VA 23451... 800-562-4150

General...This is a typical tourist area campground with lots of amenities for the whole family. A KOA resort that is well maintained and well-staffed. If you plan on sightseeing Va. Beach this would make a great base camp. This campground does have an area for permanent campers to your left just as you turn into the campground. The bulk of the sites are short term and also has cabins and rental RV's.

Sites...Sites are small to average and all are level. Some sites have pads and most are semi-wooded which means there may or may not be a tree on your site. Connections are well placed and on the correct side for RV's.

Pet Friendly... A pet friendly park and no charge if you are camping. Standard pet policy applies and there is a dog walk for Fido to play in.

Amenities...50 Max Amp, 45' Max Length, Wi-Fi, Cable TV, Pool (5/24 - 9/4), Propane, Firewood, Pavilion, Bike Rentals, Tour Shuttle to the beach. All the family will find things to do at this park. The children, young and teens, will find entertainment while you relax at your site. We particularly enjoyed the four wheeled bike rental and the shuttle bus that carries you to the beach strip.
